

## Cove Mountain Timber Piles Prescribed Fire Richfield Ranger District, Fishlake National Forest

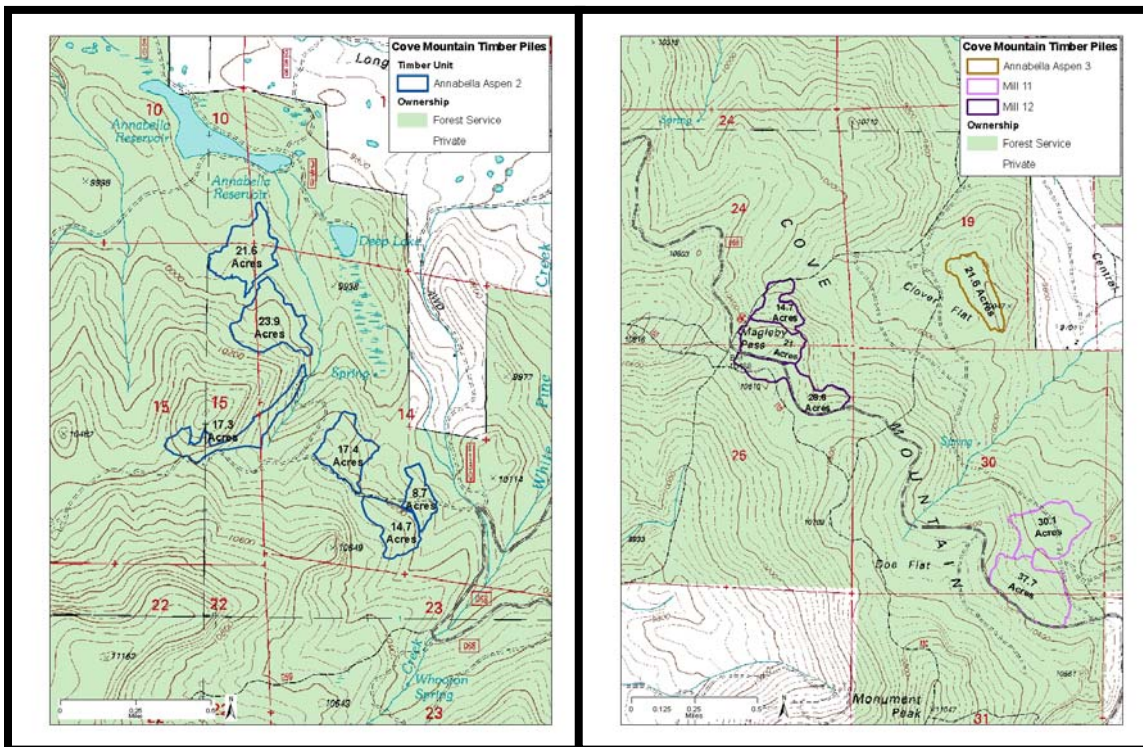

**Contact Information:** Russ Ivie (Fuels Program Manager) 435-896-1551 or [rsivie@fs.fed.us](mailto:rsivie@fs.fed.us)

**Planned Burn Date:** November 2006 – February 2007

**Location:** The project is located approximately 7 miles east of the community of Monroe, Utah. The project is approximately 1 mile south of the Long Flat Summer Homes.

**Legal Description:** The project area is in Township 25 South, Range 1 West Sections 19 & 30; Township 25 South, Range 2 West, Sections 10, 14-15, and 24.

### Project Description:

The Cove Timber Piles Burn Plan covers the piles of machine and hand piled slash that has resulted from the Annabelle, Clover, White Pine, Mill and other small timber sales. This project is located in Sevier County. Previous treatment on this project includes approximately 400 acres of timber harvest. The project consists of the burning of scattered machine and hand piles throughout approximately 400 acres of timber harvest areas located entirely on National Forest System lands. The primary fuels treatment objective of this pile burn is to reduce the existing wildland fire hazard resulting from activity fuels, thus reducing potential negative effects from future wildland fire to both Forest Service and nearby private lands.
